

2018 Senior League

\$125 Entry Fee

In 2018 we will be revamping our existing Wednesday Senior Skins game with a few new twists to form a league. This competition will be a season long modified Stableford format. Every player will start at 0 points and will lose or gain points from there, and the highest point total at the end of the year wins. The Stableford format requires you to hit a point quota based on your current handicap and gross scores. You get 8 points for gross eagle, 4 points for gross birdie, 2 points for gross par, 1 point for gross bogey, and 0 points for double bogey and higher.

Example: Bob is a 15.2 index which is a 16 handicap from our Gold Tees. He needs 23 points to meet his quota. If he happens to score 27 points he is +4 for the day, if he gets 19 points he is -4 for the day etc. These totals will be calculated each week and will establish a running total for the 25 week league season. We will take the best 15 point totals out of 25 weeks to figure an overall point total. The 9 highest scorers will be paid according to the chart below based on 20 players. 36 will be the maximum allowable handicap for the league.

Example: 20 players x **\$125 (League Fee)** = \$2500 (Prize pot based on total players throughout season. The more that join, the larger the payouts will be!) Amounts payable in golf shop credit are as follows: 1st: \$800, 2nd: \$500, 3rd: \$400, 4th: \$300, 5th: \$175, 6th: \$125, 7th: \$100, 8th: \$60, 9th: \$40.

Optional: We will still run our weekly net/gross skins game and closest to the pins but these will now be optional. The cash entry will be \$10 for skins game (\$5 to gross/\$5 to net skins) and \$5 for closest to the pins (all par 3's are now included). Winners will be paid in cash weekly for these events.

You must sign up by 12 (noon) Tuesday to be able to play Wednesday. Tee times and pairings will be emailed out late Tuesday afternoon. The first tee time will be 8:00 AM and the green fees will remain \$35 including a small bucket of range balls. The league season will run from April 11-September 26. CDGA handicap required (no other handicaps accepted) and we can set up your handicap for \$30 if you don't have one already. This should be fun and exciting so sign up today. If you have questions please call 630-882-8988 for more info.
