

2019 Tuesday Men's League

WHAT- 9 Hole Shotgun

WHEN- Group A @ 3:00pm or Group B @ 5:30pm on Tuesday's

LENGTH- 16 week league running from April 23rd – August 20th (No play the week of Memorial Day, or 4th of July).

League Rules/Info

1. An active CDGA Handicap is Required.
2. Scorecards must be filled out LEGIBLY, signed, attested and turned into the golf shop.
3. This is a shotgun format, so it requires everyone to be on time to accommodate all golfers.
4. We will have 2 different start times, but everyone will still be competing against all the teams combine in both groups. This will allow those who are retired, or work early shifts, to play their rounds in the early group, and the 9-5 guys, to play later in the evening.
5. 2 hour pace of play is mandatory to accommodate for early and late shotguns, if you have not returned your carts after 2:15 from leaving the clubhouse (allowing for travel time to and from start and finish holes), you will be given 0 points on your last completed hole plus remaining holes.
6. Seniors (60+) may play from the Gold Tees, and all others must play from the Blue tees.
7. Closest to the pin contests will be available on 2 par 3's weekly.
8. We will alternate between the front 9 and back 9 from week to week.
9. Play the ball as it lies unless the golf staff deems is acceptable to lift clean and place (this will be announced prior to teeing off).
10. All putts must be holed out.
11. Please help keep our course in great shape for yourself and others, by replacing divots when possible, use the sand provided to fill smaller divots, fix multiple ball marks on greens, and be conscious of where you are taking your golf carts (handicap flags are available for those who need them).
12. A few notable new USGA Rules of Golf for 2019 are as follows:
 - There is no penalty for accidentally moving your ball on the putting green, the ball simply must be replaced to its original position before taking your real stroke.
 - No penalty is assessed if your ball accidentally strikes yourself or your equipment.
 - You may take penalty/free drops from knee height.
 - Limit search time for a lost ball to no more than 3 minutes.
 - You can repair any damage on the green in your line, including spike marks.
 - You may putt with the flagstick in the hole without penalty.
 - You may move loose impediments, touch the ground, and ground your club in penalty areas.
 - If you accidentally "double-hit" the ball during the swing there is no penalty.
 - Any ball that is hit "out of bounds" will be played as a lateral hazard, by dropping within 2 club lengths of where the ball crossed the out of bounds line, 2 strokes must be added.

Bring your Spouse or Friends! We will have 1/2 OFF Bottles of Wine for the ladies during our happy hour while you play and afterwards for dinner!
